A Mother's CFT Journey for Her Newborn Daughter

By Krystil McDowall

I'm a mom who knows how important CFT is for babies to have optimal health. I initially found Dr. Gillespie and the wonderful life-changing practice of CFT. When my son was born in 2015, he had torticollis, which was diagnosed at birth. A few months after looking into therapy within the medical model, I was frustrated and sought answers elsewhere. That's when I learned of CFT. It worked well for my son and the treatment and science made so much sense to me.
