

The Gillespie Approach Newsletter March 2022

NEWS & UPDATES

After three months off while recovering from a virus, Dr. Barry Gillespie is back in the office doing what he loves to do: help infants, children, and adults become looser.

STORY HIGHLIGHTS

Are Birth Trauma, Gagging, and Panic Attacks Connected?

"During infancy and childhood the gagging signs fall through the cracks of the medical system and can later grow into adulthood panic attacks."

—Dr. Barry Gillespie

I am presenting a hypothesis that combines birth trauma, gagging, and panic attacks.

When three gagging patients presented in one day, I know that God was showing me something special. A four-month-old had two tongue tie revisions, and mom was thinking about a third. I told her she had a lot of contributing strain in her throat.
